

USED FOR SALE

Mobile Medical Clinic ♦ Low Mileage
(MHC #455U)

Chassis: 2002 Custom International 4900 Diesel MC443 ... **Many Recent Upgrades!**

Exterior Length: 40'Lx12.10'Hx8.5'W

Current Mileage: 16,500

GVWR: 29,000 lbs (CDL Required)

Seller's General Assessment: "With very low mileage, this diesel chassis will drive reliably for another 100+K miles. The interior clinic is ideal for facilitating Consultations, Covid testing and/or vaccinations; and for offering primary and/or preventive care services. Clinic originally built for NIH as a research lab with all federally qualified inspection parts."
