

USED FOR SALE

Mobile Dental Clinic **(MHC #489U)**

Year: 2001 Spartan Summit Diesel
Mileage: 75,000
Exterior Measurement: 40'L
GVWR: 33,000 lbs (CDL required)

Owner's General Assessment: "I'm sorry to give up this mobile unit. I've enjoyed working on the unit and have kept it very well maintained (with many upgrades). The engine (with three new batteries) works very well and the generator has a new battery/fuel pump/filter. My fixed clinic has expanded and we're unable to properly staff the mobile. It will be a great starter mobile clinic for another practitioner."
